MISSION STATEMENT

United Jewish Peoples Fraternal Order traces its founding to the Jewish Peoples Fraternal Order, an affiliate of *International Workers Order* founded in 1930 by working class Jewish-Americans in the secular, non-Zionist Jewish tradition.

We recognize that anti-semitism is used by the bosses, both in the work place and politically, to divide working people. Elevated forms of anti-semitism in society opens the door to fascism.

Fascism is the most chauvinistic and the highest form of exploitation of the working class. *United Jewish Peoples Fraternal Order* recognizes that anti-semitism isn't the only form of scapegoating the bosses and fascists utilize. We organize with all peoples that want to see the end of anti-semitism, fascism, racism, sexism, homophobia, and transphobia. We welcome all ethnic Jewish people to join us as we promote secular Jewish culture and traditions.

OUR PROUD HISTORY

The *United Jewish Peoples Fraternal Order* is a working class secular, cultural, educational organization. The *Jewish Peoples Fraternal Order* was the Jewish worker's section of the *International Workers Order*. It was comprised of immigrants escaping anti-semitic pogroms in Europe. Many brought with them the concepts of collectivism, socialism, and anti-fascism. These ideas gave Jewish working class immigrants a feeling of community and solidarity. We seek to continue that work in the UJPF.

- Efforts to reverse harmful climate change and to prevent further deterioration of the planet.
- We support the Geneva Accord which calls for a two-state solution to the Israeli-Palestinian crisis without intervention by US hegemony, under which both peoples would live side-by-side as peaceful neighbors.
- The withdrawal of US military and economic intervention in the Middle East.
